

# BEE-AWARE

**At work. On site. In the shed.**

## SPOT IT

Hives in eaves and dashboards.  
Swarms = clusters of 100+.  
One small hole + steady traffic = nest behind it.

## DON'T PROVOKE

No swatting.  
No running through swarms.  
No perfume. No power tools near nests.

## DRESS SMART

Light. Smooth. Pale.  
Long sleeves. Closed shoes.  
No dark fuzzy fabrics.

## BE READY

First aid kit < 2 minutes away.  
Two in-date EpiPens on allergy sites.  
Action plans laminated and visible.

**STUNG? MOVE TO SAFETY. SCRAPE.  
CHECK FOR ANAPHYLAXIS.**

## REPORT

Same day. Always.  
Pest control before any removal.
