

KNOW THE BEE

Bees defend. They don't attack.

1 IN 3 BITES OF FOOD = POLLINATED BY A BEE.

01 WHY BEES STING

Sudden moves.
Strong smells.
A crushed bee = alarm scent.

02 AVOID PROVOKING

STAND STILL: let it leave.
WALK: don't run.
LOSE THE SCENT: no perfume.
WATCH THE GROUND: wear shoes.

03 CARRY THIS

Stiff card. Cold pack. Antiseptic wipes.
EpiPen - if anyone is allergic.
Charged phone. Know your location.

IF SWARMED: RUN. COVER. SHELTER. CALL.

- **RUN**
Straight line. 100+ metres.
- **COVER**
Shirt over face. Protect eyes.
- **SHELTER**
Indoors. Sealed. Close everything.
- **CALL 000**
Multiple stings = emergency.
